Access Control Restrictions

Chapter 46 Article V Fond du Lac County Code of Ordinances

Does the current parcel have an access point? _____ Yes _____ No

Does the parcel have frontage on a lower classified Road? _____ Yes _____ No

Will the new access point meet the spacing requirement between drives?
(600 feet rural CTH – 300 feet semi-urban – 200 feet urban) _____ Yes _____ No

Will the new drive meet the sight distance requirements?
(See attachment for required distance) _____ Yes _____ No

Has the property been subdivided after the Access Control Ordinance?
Ordinance effective April 14, 1997. _____ Yes _____ No

The Highway Department reserves the right to review and request modification to existing access points prior to the land being subdivided. There is no guarantee an existing access point will be allowed a change (grandfather) in use without meeting the restrictions above.

Owner's Covenant

- A. Any grading, special ditching, alteration of slopes or any other disturbance on any portion of the highway right of way shall be restored and at the expense of the applicant to the condition of the prior to such disturbance and to the satisfaction of the Fond du Lac County Highway Department. If the restoration work or any damage caused to the highway right of way by the applicant cannot or will not be restored voluntarily, the highway authority may complete the restoration at the expense of the owner.
 - B. The entire cost of driveway construction or installation shall be the obligation of the applicant.
 - C. The driveway approach will match the edge of the shoulder grade. Driveways shall not be sloped to the existing edge of the traveled road.
 - D. The driveways authorized by this permit shall be installed within 90 days from the date of approval. The Fond du lac County Highway Department reserved the right to require applicant to reapply for said permit after the time expires.
 - E. The permittee, his successors, or assigns agree to hold harmless the Fond du Lac County Highway Commission and it's duly appointed agents and employees against any actions for personal injury or property damage sustained by reasons of the issuance or exercise of this permit.
 - F. Rural Driveway shall be perpendicular to the County Highway and not exceed 6% grade in the right of way.
 - G. **Concrete surface of driveways will only be allowed when curb and gutter is present.**
 - H. **No Concrete Driveways will be allowed within 10' of the road surface. Gravel or paved asphalt only!**
-
